

# ATTENTION ERASMUS and other foreign students in Slovenia!

This year, **Radio Si** is doing a show about YOU!

It's called **Study Abroad** and it's a short, fun interview in English for our radio station about your experiences as students here, what you think about Slovenia, Slovenians and your study program. We won't ask you to recite the periodic table or anything like that, scout's honor!

The show is recorded in advance (so any and all mistakes can be edited out) and we meet wherever's most convenient for you, be it your dorm, faculty, at the library, somewhere in town, etc. Recording takes a maximum of 30min (after editing, the interview is about 6min long).

You'll get to hear what you sound like on air, pick a song for us to play, receive a cool Radio Si T-shirt and get to have your face plastered across our **Facebook** page.

Let me know if you're up to the challenge! 😊

You can reach me at [tatjana.milovanovic@rtvslo.si](mailto:tatjana.milovanovic@rtvslo.si).

Have a wonderful day,

**Tatjana Milovanović**
