Warm Welcome
Information for Applicants

Eligibility
Tampere Summer School is intended for university and applied university students and graduates from all over the world. We welcome applications from Bachelor, Master and PhD students of all academic fields, but please remember to check course-specific requirements in the course descriptions. All applicants must be proficient in English.

Course Fee
Course fee for students not registered at the Tampere University (TAU) or Tampere University of Applied Sciences (TAMK) is 140 euros for 1 ECTS. For online courses there is a discount of -25 % of the normal cost. The price for a 5 ECTS course, for example, is 525 euros. For exchange and degree students of the TAU, and TAMK (academic year 2021-2022) courses are free of charge. The course fee includes registration to the course, customer service, teaching, a transcript and a certificate.

Application period
1 April – 7 June 2021
Read how to apply to Summer School
Tampere University and Tampere University of Applied Sciences constitute Finland’s most international and diverse university community. The areas of focus in our multi-disciplinary community’s research and education are technology, health and society. More than 30,000 students study with us each year.
